Authors must register by Monday, February 25, 2013

PLEASE REMEMBER: At least one author of an accepted paper must register at the FULL OR LIMITED (RG01-RG06) rate even if the author is a student.

For authors presenting multiple papers, one conference registration is valid for up to three papers. Please enter your EDAS paper numbers and the number of pages:

EDAS Paper # _____ EDAS Paper# _____ EDAS Paper# _____
 Number of pages _____ Number of pages _____ Number of pages _____

The registration confirmation code you receive enables you to upload your manuscript to EDAS submission site. Sharing this code with anyone else is unethical and consequences apply. This EDAS Author Account must be accessed using the original submitting author log-in information. Authors with over length papers (6th page – US100 over length charge) should pay for these extra pages via EDAS when they upload their final accepted papers.

PLEASE NOTE: To be published in the IEEE ICC 2013 Conference Proceedings and IEEE *Xplore*®, an author of an accepted paper is required to register for the conference at the *full or limited* (member or non-member) rate and the paper *must* be presented by an author of that paper at the conference unless the TPC Chair grants permission for a substitute presenter. Non-refundable registration fees must be paid prior to uploading the final IEEE formatted, publication-ready version of the paper. For authors with multiple accepted papers, one full or limited registration is valid for up to 3 papers. Accepted and presented papers will be published in the IEEE ICC 2013 Conference Proceedings and IEEE *Xplore*®.
